Read a little of the arrogance of your masters. Who will betray the future of mankind into slavery? Masonry is a blasphemy against the will and law of GOD - Remember who has power to cast into Hell!

Death is the inevitable end for all. It is better to bring that end nearer to those who hinder our affairs than to ourselves, to the founders of this affair. **We execute masons in such wise that none save the brotherhood can ever have a suspicion of it, not even the victims themselves of our death sentence, they all die when required as if from a normal kind of illness.....** Knowing this, even the brotherhood in its turn dare not protest. By such methods we have plucked out of the midst of masonry the very root of protest against our disposition. While preaching liberalism to the goyim we at the same time keep our own people and our agents in a state of unquestioning submission.

Under our influence the execution of the laws of the goyim has been reduced to a minimum. The prestige of the law has been exploded by the liberal interpretations introduced into this sphere. In the most important and fundamental affairs and questions judges decide as we dictate to them, see matters in the light wherewith we enfold them for the administration of the goyim, of course, through persons who are our tools though we do not appear to have anything in common with them - by newspaper opinion or by other means.... Even senators and the higher administration accept our counsels. The purely brute mind of the goyim is incapable of analysis and observation, and still more of foreseeing whither a certain manner of setting a question may tend.

In this difference in capacity for thought between the goyim and ourselves may be clearly discerned the seal of our position as the Chosen People and of our higher quality of humanness, in contradistinction to the brute mind of the goyim. Their eyes are open, but see nothing before them and do not invent (unless perhaps, material things). From this it is plain that nature herself has destined us to guide and rule the world.

In the meantime, when there were gathered together an innumerable multitude of people, insomuch that they trode one upon another he began to say unto his disciples first of all, Beware ye of the leaven of the Pharisees, which is hypocrisy,

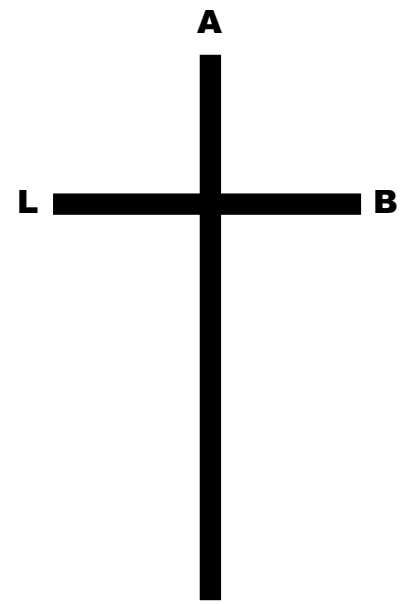

For there is nothing covered, that shall not be revealed, neither hid, that shall not be known.

Therefore whatsoever ye have spoken in darkness shall be heard in the light; and that which ye have spoken in the ear in closets shall be proclaimed upon the housetops.

And I say unto you my friends, Be not afraid of them that kill the body, and after that have no more they can do,

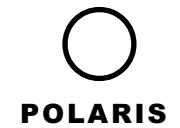

But I will forewarn you whom ye shall fear: Fear him which after he hath killed hath power to cast into hell; yea, I say unto you, Fear him.

“ZION RULES THE WORLD - OK!”

Freemasonry is the secret service of Zion. By its influence Zionism infiltrates the whole of the Western world and its culture. Freemasons control the legal system thus depriving many citizens of protection under the laws of the realm. Freemasons control the police and use their services without recourse to the law courts to obtain writs or orders, while the man in the street must wait years before his grievance is heard. Resorting to the use of courts for legal redress is mostly a waste of time, especially when suing a Freemason or a firm run by Masons. In such circumstances the court is a mere formality the outcome will have been decided long before the matter ever gets to court. Freemasons control the banks and the financial institutions thereby to credit at minimal interest the normal citizen. Control to destroy businesses, lay waste contracts, and to stand in their way. All this within the church as recent years have revealed. The percentage of men is reckoned to be 700,000 in Wales. The diagram below illustrates the layout of a Masonic Royal Arch Chapter - note the twelve ensigns on either side of corresponding list of the below. In the centre of this is the top of the altar, the altar are the three great lights, Aleph, Beth and Lamed (see front page). On top of the altar is the triangle within the circle within the square - note the two words written in three syllables each, JAH-BUL-ON and JE-HO-VAH.

The next diagram illustrates the procedure for pacing out the Masonic fire ceremony as enacted after the banquet in Royal Arch Rituals. It is referred to in the Holy Bible as “passing through the fire of Molech”, and is strictly forbidden because it invokes evil in the people who perform it. No one can prove the effects of black magic, but here we prove the enacting of black magic rituals. The Royal Arch Rituals claim that masons so elevated are “nobly born,” and descended from a line of “patriarchs and kings.” They anoint themselves with oil and crown themselves princes. Thus they set themselves above their fellow men believing theirs to be the right to possess the world. They believe they can do no wrong and their arrogance thus achieved apparently leaves

them without conscience, for they are instructed that they are now above all earthly matters. The diagram overleaf illustrates the Cabalistic nature of Freemasonry. The three great lights A,B and L correspond to the three stars, Sirius, Betelgeux and Proision. Betelgeux is to be found on the left shoulder of Orion or Nimrod the great hunter of Babylon - Nimrod was the king of Babylon, and Proision and Sirius are to be found in Canis Minor and Canis Major his two dogs. Proision is so called because it proceeds “Sion”, the Zion star Sirius, in Greek the word is Kyan meaning “Dog”, the “Dog Star”. From the Greek word “Kyan” comes the word “Cyan”, a particular shade of blue associated with the colour of the star Sirius. The flag of Israel is composed of two horizontal lines above and below the six pointed star in the colour cyan upon a white background. The two lines represent the Euphrates. It is the aim of Zionists to settle all the lands between the Nile and the Euphrates which, in Greater Israel. Because the Pole star Polaris appeared stationary above the Earth, the ancients believed the Universe revolved around the Earth or Kneeling Stool shown on this axis. The Hebrew letters the Aleph, Beth and Lamed. In ancient times it was convenient for the elders to be able to convey secret signals of discussions with outsiders, and so letters were which new meanings could be conveyed without fear of detection using the hands and fingers like an abacus. Today, freemasons use signs made with the hands and fingers. Words are also used in legal documents to express Masonic membership to other advocates. Such is the development of unfair practices against the Goyim or Profane as they call non-masons. Apartheid may have been condemned in South Africa by British politicians but it is practised right here in England today.

The TALMUD permits a Jew to cancel an oath he takes in court by silent words he speaks in his heart or mind. It is for this reason the Masonic oath includes the words “without evasion, equivocation or mental reservation of any kind—”. The Royal Arch proves the Jewish connection throughout the ceremonies and layout of the chapter.

The evil of Freemasonry is proven by the protection given to the widow and fatherless in the Bible. The lodge is the widow and every Mason attaining the degree of Master Mason becomes the widows son, Hiram Abiff, is symbolically murdered and then raised from the dead to be told he is above all Earthly constraints (including the law). Necromancy (ceremonies involving rituals raising people from the dead) is forbidden. Who would be so callous as to steal the charity reserved for widows and orphans?

In their ceremonies, Freemasons are tempting GOD himself!
